

TRAIN/BUS/WALKING

On arrival at Cambridge station you can catch a bus, take a taxi or walk to Homerton. The city 1 bus stops outside Homerton and departs every 10 minutes from the station. There are plenty of taxis outside the main entrance to the station.

To walk to Homerton:

- on exiting the station turn left onto Station Place and walk for a few minutes before turning right on to Brookgate. Turn left by the Co-op on to Hills Road and walk over the railway bridge, continue walking along Hills Road and cross over Cherry Hinton Road at the lights.
- Homerton College is on the right hand side past Hills Road Sixth Form, behind the black railings. Follow the signs to the Conference Centre Reception or your specific event signage.

BY CAR

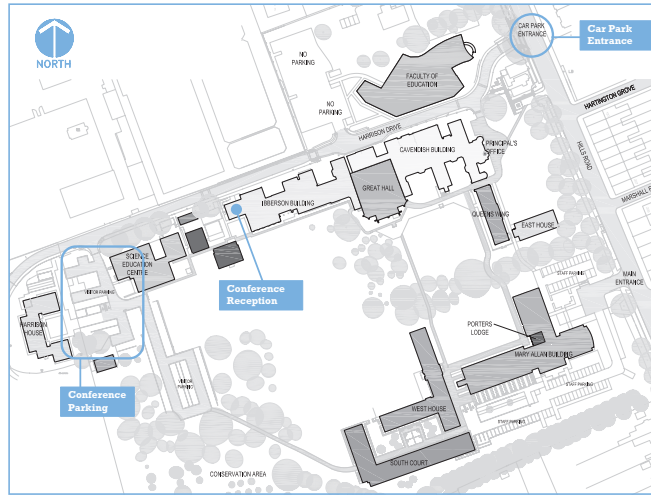

There is a large car park at the rear of Homerton Conference Centre which is free of charge for conference delegates.

From the M11

- exit the motorway at junction 11, following signs to the city centre
- continue along the A1309 through Trumpington, past the Green Man pub and turn right at the junction and traffic lights onto Long Road
- at the end of Long Road turn left onto Hills Road and continue for approx half mile
- you will see Homerton College on the left, behind the black railings
- just beyond the main College buildings on your left you will see Harrison Drive
- turn left into Harrison Drive and follow signs for Homerton Conference Centre car park, which you will find on your left
- to access the car park, key in the code **1653** to lift the barrier. You will be unable to access the car park without this code. The code is changed regularly.

From the City Centre

- follow the A1307 out of the city centre, eventually crossing over the railway bridge
- at the junction go straight across and turn right into Harrison Drive and continue following signs for Homerton Conference Centre car park, which you will find on your left
- to access the car park, key in the code **1653** to lift the barrier. You will be unable to access the car park without this code. The code is changed regularly.
