NOTES

1. *Conference Fee.* All members and guests of the Association attending the Meeting will be charged a Conference Fee of £15·00, which will cover morning coffee, afternoon tea, luncheon on Wednesday, Thursday and Friday, the President's Reception, gratuities and other expenses.

2. *Tickets* must be applied for on the attached form as soon as possible and *not later than 31st May, 1974*. Cancellations received by 7th June will entitle members to a refund. Cancellations received after that date will not entitle members to a refund unless the ticket is resold.

3. *Papers and Discussions.* All papers read at the Annual Meeting, together with illustrations suitable for reproduction, i.e. prints (not lantern slides or X-ray photographs) *must be handed to the Honorary Editorial Secretary at the Meeting*. The papers *must* include :
 - (a) Name, degrees and main appointment of the author(s).

 - (b) References, listed alphabetically at the end of the text, giving—Name and initials of author(s). Year, *Title of Paper*. Name of Journal *in full*. Volume number. Number of *first and last pages*.

 - (c) *Illustrations* should be restricted to a minimum. Prints of illustrations and radiographs should be submitted on *matt* paper with the author's name and "top" marked lightly in pencil on the back. All lettering and figures must be indicated on a transparent cover, not on the illustration itself.

Full details of the format of references and illustrations required for publication are given in "Instructions to Authors" in the British Journal of Urology.

Members of the Council of the Association and the Editorial Committee of the British Journal of Urology will decide which papers read at the Annual Meeting shall be published.

The Editor of the British Journal of Urology regrets that a paper longer than the one delivered at the Meeting cannot be accepted for publication. There will be no official reporting of discussions, but members who wish their remarks to be considered for publication are asked to submit them in writing to the Honorary Editorial Secretary immediately after the discussion.

4. *Technical Exhibitions.* During the Meeting there will be an exhibition of surgical instruments, drugs and medical books.
