Welcome

We are excited to announce that preparations for the 2025 Annual Scientific Meeting of the British Association of Urological Surgeons (BAUS) are well underway. Building on the tremendous success of our 2023 and 2024 meetings, we are thrilled to present our sponsorship opportunities for BAUS 2025, which promises even greater access to an expanding number of delegates.

This year, we are heading to the vibrant city of Manchester, a prime location offering a world-class venue that perfectly complements our cutting-edge scientific program. Manchester Central will provide a dynamic space for our delegates and industry partners to connect, exchange ideas, and showcase the latest innovations in urology.

We are pleased to offer a variety of sponsorship packages designed to maximize your engagement with attendees. Whether you choose Diamond, Platinum, Gold, Silver, or Bronze, each package ensures high visibility and meaningful interaction with delegates, both during the meeting and in the months that follow. Given the overwhelming success of the previous meetings, we anticipate even greater demand for these opportunities in 2025.

At BAUS, we deeply value our ongoing partnership with industry leaders like yourself. Your support is crucial to the success of BAUS 2025 and our other events throughout the year. We are eager to strengthen our relationship further and continue our shared journey of advancing urological care.

We invite you to join us at the UK's flagship urological conference and seize this opportunity to engage with a highly targeted and engaged audience. Should you have any questions or require more information, please don't hesitate to reach out to BAUS Events.

Thank you for your continued support. We look forward to working with you at BAUS 2025 and beyond.

Warm regards,

Joe Philip

BAUS Vice President for Education & President Elect.

Please note that full payment for stands booked after 31 March 2025 will be due 14 days from the date of invoice.
