

Generalist for Section of Endourology Committee

As Mr Richard Hindley has been elected as an Endourology Section Executive Committee Member, the role of Co-opted General Urologist on the BAUS Endourology Committee is now vacant.

We therefore invite expressions of interest from BAUS members who wish to help shape the endourology agenda and are currently predominantly involved in core urology with an interest in endourology and are based in local units as opposed to tertiary referral centres.

Deadline for applications is: 12 noon, 24 January 2025

More about the role

This co-opted role is for the period of one year, with the option of extending to two years, to bring a more generalist view to our activities.

You would become part of the team, contributing to all aspects of the work of the committee, particularly ensuring that the focus retains common sense and "added value" for the depth and breadth of British endourological practice. Executive Committee meetings are held three times a year; via Zoom and at the BAUS offices in London. Meetings scheduled for 2025 are:

- 6 March 2025 (face to face at BAUS HQ in London)
- 9 July 2025 (via Zoom)
- 2 December 2025 (face to face at BAUS HQ in London)

The date for the 2-day Section Annual Meeting has yet to be arranged.

For further details, feel free to contact one of the committee or [Richard](#) himself, whose enthusiasm and commitment to the section's work over the past two years has been greatly appreciated.

[Application form](#)

The deadline for applications is 12 noon on Friday 24 January 2025.

Applications will be reviewed and scored by the current elected members of the Section executive and all applicants will be notified of the outcome in the first week of February.
