

A lifetime service award was made to Professor Aberra A. Gobezie by the Urology Society of Ethiopia in June of 2024. Professor Gobezie, MD, FCS/ECSA, was formerly Senior Consultant Urologist at Hawassa University Comprehensive Surgical Hospital and is now Senior Consultant Surgeon & Urologist, Associate Professor Yanet-Liyana College of Health Sciences, and CPD Director.

Professor Gobezie is seen with his colleagues from the Ethiopian Society of Urology after receiving his award, and is sitting to the right of Prof. Getanah Tefari, the current Head of the urology service at HUCSH.

Professor Gobeze having received his lifetime award from Hawassa University College of Medicine and Health Sciences in June of 2024. This prestigious award was made for Aberra's unwavering commitment, dedication and exceptional contributions to the University over the years.
